Subject: Launch of GVI Club Mobile Application & Introduction of NFC-Based Smart Membership Cards

Dear Esteemed Member,

We are pleased to announce the launch of the **GVI Club Mobile Application**, along with the introduction of **NFC-enabled Smart Membership Cards**, as part of our initiative to provide a modern, secure, and cashless club experience to all members.

GVI Club Mobile Application

The official **GVI Club Mobile App** allows members to conveniently access club services anytime and anywhere. Key features include:

Card Balance & Subscription/Dues

- Real-time card balance
- Allocated credit limit, outstanding amount, and unbilled debit

Transactions & Account Services

- Subscription details
- Card-related services
- Secure OTP-based access

Online Bookings

- **Rooms Booking** – Reserve rooms easily
- **Banquet Booking** – Book banquet halls for events
- **My Bookings** – View and track all your bookings

News & Circulars

- Receive important announcements and club updates instantly

NFC-Based Smart Membership Cards (Cashless & Secure)

Along with the mobile app, the Club has introduced **NFC Smart Membership Cards** for **cashless transactions and controlled access** across various club facilities.

These smart cards will enable members to:

- ✓ Make **cashless payments** at club outlets (F&B, services, etc.)
- ✓ Enjoy **faster and secure transactions** without carrying cash
- ✓ Access **authorized facilities**
- ✓ Seamlessly integrate card usage with the mobile app for balance and transaction tracking

The NFC Smart Card is linked to the member's account, ensuring **transparency, security, and convenience**.

➡ **App Availability**

The GVI Club Mobile App is available on:

- **Google Play Store**
- **Apple App Store**
(Search for “**GVI Club**”)

We encourage all members to download the mobile app and start using the **NFC Smart Membership Card** to experience a fully digital, cashless, and hassle-free club environment.

Warm regards,
Management
GVI Club
